

2021 Swimming Pool Registration

Swimming Pool Passes are valid from Memorial Day weekend through Labor Day for the year issued. Do not discard passes. New stickers will be updated each year. Passes allow seasonal use of the pool and must be given to the lifeguard at the entrance to the pool upon entering for all members. You must sign in/out for each visit. Please see attached instructions on how to obtain Passes, or find them online at www.leelandstation.org.

Each household in good standing (passes will not be issued to anyone with an outstanding balance on their respective assessment account or otherwise not in good standing) will be issued pool passes at no charge on a one-time basis. A replacement charge of \$5.00 per pass will be assessed for previously issued lost passes. No charge will be assessed for passes in poor condition through fair wear and tear as judged by the issuing authority. It is the responsibility of Community Association members to ensure that passes are only used by the eligible residents listed below and in accordance with the Pool Rules published on www.leelandstation.org.
